Náves

A detailed cadastral map of an urban area. The map shows numerous property lots, many of which are numbered. A prominent feature is a large area in the lower-middle section filled with blue diagonal hatching. To the left of this hatched area, the text 'PARK SMÍŘENÍ' is written in red and underlined. The map also includes various lines representing roads, boundaries, and possibly utility lines. Some lots are marked with small symbols like circles containing the letter 'G'. The overall layout is complex, with many small lots and some larger, more irregularly shaped ones.

PARK SMÍŘENÍ
